

Terms and conditions for Norway Adventures

In general

All prices are subject to changes. We quote our prices in NOK.

We are offering wilderness activities, so all activities are due to (last minute) changes due to weather or other circumstances. It is always the guide who has the final decision. This is to secure the safety and wellbeing of all customers.

Group trips and activities

These packages are set up with price and dates for the actual season. After receiving at least 4 bookings for a specific trip these trips will be guaranteed/confirmed by us. Note that there can be other reasons to guarantee/confirm a trip (prior to receiving 4 bookings).

Tailor-made prices

These are packages designed especially for each individual customer according to his or her needs, desires, and budget. Our experience is that these vary a lot and therefore we cannot set any predetermined price on these products. Prices normally start at NOK 4000, -
